Love's Divine Refrain

For SAB Chorus and Piano

Loretta K. Notareschi

A heartfelt anthem about loving kindness, *Love's Divine Refrain* is suitable for Valentine's Day and other occasions when love is to be celebrated.

Duration: 2'30"

To speak with loving kindness
To give with open arms
To offer all our heart
To keep our friends from harm

To listen with loving mind
To bubble forth in mirth
To seek the truth in gladness
To know true beauty's worth

Let this be our answer
To love's divine refrain
Let this be the gift we give
Through which we all may gain

To bind up what's been broken
To smooth the crooked path
To serve those who are hurting
To help us all to laugh

To search for shining wisdom
To seek for what is right
To ask for help and guidance
To move closer to the light

Let this be our answer
To love's divine refrain
Let this be the gift we give
Through which we all may gain
